PRE-LICENSING COURSE DESCRIPTION

Pre-licensing courses run from 7:30-5:30 on Monday and Tuesday. Please come 15 minutes early on Monday to check in.

After enrolling in a course, the student will be e-mailed a pre-study packet of material. This pre-study contains 20-25% of the test material. It is imperative that the student studies and reviews the material before coming to class. At the beginning of the class the instructor will give a brief overview of the material and answer any questions.

Schedule your insurance exam through Pearson VUE: it is ideal for the student to take the test as soon as possible after completing the course. Our classes run Monday & Tuesday making the ideal test dates either Thursday or Friday of the same week.

Remember any student failing to pass the exam can retake the course at no charge.
